## ***Back to School Greetings to You!***

Yes, the first day of school is right around the corner for the 2017-2018 school year. Our official first day is Tuesday, September 5th. This is the day after Labor Day, which allows our students, families and community to enjoy and celebrate the final event of summer, Kite Fest 2017, in Two Rivers.

This has been a very busy summer for the Two Rivers Public School District. Both L.B. Clarke and Magee have been under construction and the much needed renovations for this year are complete. Roofing, new blacktop and sealcoat in our parking lots and at the Magee playground are also finished. A special thanks to our voters for supporting our facilities referendum last spring. This community support allowed for these needed improvements to be possible. Also, an added thanks to Bob Bauknecht for overseeing all the building projects, as well as our maintenance and custodial crew. The cleaning, painting, and preparing classrooms and buildings for the upcoming school year continued simultaneously with the construction and renovation. All of the work scheduled to be completed for this summer is nearing the finish line, and the teachers are beginning their final touches before our scheduled Open Houses.

Koenig and TRHS have been the home of our Summer School and CLC (Community Learning Center) programs this summer. Both of these buildings were abuzz with student activity. The wide array of opportunities abound for our students in the summer months. Just check out our Facebook page and see our students engaged in activities and fun. If your child did not participate this summer, check out programming for next year, as the opportunities for our students are amazing. There is something for everyone. The learning and fun that take place over the summer is rewarding. Also, as a district, we have been very diligent in making our preparations for the upcoming 2017-2018 school year. Teacher teams have been busy with collaborative meetings to improve our skills to engage every child to reach their fullest potential.

This upcoming year will bring new faces as well as changes. Joining our District team are the following staff members: Bridgett Klein, Pupil Services Director; Staci Smogoleski, Kindergarten at Koenig; Nicole Gardner, 3rd Grade at Koenig; Nicole Debroux, 2nd Grade at Magee; James (JC) Mountain, EBD at L.B. Clarke Middle School; and Kristian Moen, SLD at Two Rivers High School. We welcome them, along with our new families and students, to our district. We also have staff that moved to new roles in the district. Craig Rysticken, Principal at Two Rivers High School; Jeanne Wall, Associate Principal at Two Rivers High School; Stephanie Korte, Dean/Special Education at Magee; Tanya Pautz, Cross Categorical at Two Rivers High School; Jean Fredrickson, 1st Grade at Koenig, and Cherilyn Stewart, EBD at L.B. Clarke Middle School.

As your District Administrator, I am looking forward to working together with you to best meet the needs of our children. Your cooperation and communication are integral to the success of all. If you have any questions throughout the year, do not hesitate to contact me at 793-4560, or you may email me at [lisa.quistorf@trschoools.k12.wi.us](mailto:lisa.quistorf@trschoools.k12.wi.us).

The Two Rivers Public School District is committed to guiding every child to reach his/her fullest potential. No Exceptions. We are TR!

Lisa Quistorf, District Administrator

**Annual Asbestos Notice:** As a result of recent federal legislation (Asbestos Hazard Emergency Response Act—AHERA), each primary and secondary school in the nation is required to complete a stringent inspection for asbestos and to develop a plan of management for all asbestos-containing building materials. The Two Rivers School District has a goal to be in full compliance with this law and is following the spirit, as well as the letter, of the law. As a matter of policy, the district shall continue to maintain a safe and healthful environment for our community's youth and employees. In keeping with this legislation, all buildings (including portables and support buildings) owned or leased by the Two Rivers School District were inspected by EPA-accredited inspectors, and samples were analyzed by an independent laboratory. Based on the inspection, the school prepared and the state approved a comprehensive management plan for handling the asbestos located within its buildings safely and responsibly.

Furthermore, the Two Rivers School District has completed the Three-Year Re-Inspection required by AHERA. Federal law requires a periodic walk-through (called "surveillance") every six months of each area containing asbestos. In addition, the law requires all buildings to be re-inspected three years after a management plan is in effect. Endpoint Solutions will accomplish this under contract. Short-term workers (outside contracts: i.e., telephone repair workers, electricians and exterminators) must be provided information regarding the location of asbestos in which they may come into contact. All short-term workers shall contact the lead maintenance person before commencing work to be given this information. The Two Rivers School District has a list of the locations and types of asbestos-containing materials found in the school buildings and a description and timetable for their proper management. A copy of the Asbestos Management Plan is available for review in the school office. Copies are available at 25 cents per page. Questions related to the plan should be directed to Endpoint Solutions, Hales Corners, WI 53130, (414) 858-1203, or by contacting Two Rivers Schools at (920) 793-4560.

## NOTICE OF SPECIAL NEEDS SCHOLARSHIP PROGRAM

This notice serves to inform parents and guardians of students with disabilities that the State of Wisconsin has established the Special Needs Scholarship Program. Under this scholarship program and as further specified in state law, a child with a disability who has been denied the opportunity to attend a nonresident school district under the full-time open enrollment program may be eligible to receive a scholarship from the Department of Public Instruction (DPI) that allows the child to attend an eligible private school that is participating in the Special Needs Scholarship Program. This is a state-administered program.

A parent or guardian who is interested in the Special Needs Scholarship Program should independently verify the participating private schools and the specific terms, eligibility criteria, and application procedures of the scholarship program with the DPI.

The Special Needs Scholarship Program is further defined under section 115.7915 of the state statutes. However, special eligibility requirements not found in that statute exist for program scholarships that are awarded for private school attendance that initially begins in the 2017-18 school year. Additional information about the program should be available on the website of the Wisconsin Department of Public Instruction: <http://dpi.wi.gov/>.

	<b>Regular</b>	<b>Reduced</b>
<b>Grades K-4</b>	<b>\$1.70</b>	<b>30¢</b>
<b>Grades 5 –8</b>	<b>\$1.80</b>	<b>30¢</b>
<b>Grades 9-12</b>	<b>\$1.90</b>	<b>30¢</b>

The hot lunch program will also begin on Tuesday, September 5th in all schools. Daily prices are as follows:

	<b>Regular</b>	<b>Reduced</b>
<b>Grades K-4</b>	<b>\$2.50</b>	<b>40¢</b>
<b>Grades 5 –8</b>	<b>\$2.60</b>	<b>40¢</b>
<b>Grades 9-12</b>	<b>\$2.70</b>	<b>40¢</b>

Applications for Free and Reduced Lunch will be available via online registration, and will also be sent home with the students during the first week of school. If you feel you may qualify for Free or Reduced Lunch, please complete the form (one form per family) and return it to school as soon as possible. Families that receive AFDC or food stamps must fill out the application with their food stamp number. These families will be mailed a verification letter from the school district in early September. If you do not receive a verification letter and receive AFDC or food stamps, please call Stacy Watzka or Kris Parma at 793-7172.

In grades K-8, the district will be using biometric fingerprint scanners for purchasing breakfast and lunch. A letter detailing this biometric scanning will be available during the open house events at Koenig, Magee, and L.B. Clarke. At the high school the district utilizes an automated lunch account system in which each person has a computer generated card with their name on it. When a meal is “purchased”, the student number is entered into the computer and the price of the meal is then deducted from the family account. Family accounts are set up with the responsible parent or guardian listed as the head of the household and all dependents listed under the same family account. Lunch payments can be sent to your child’s school or mailed to L.B. Clarke Middle School. Prepayments may be done weekly or monthly. There is no need to send money with each child since all payments go into the family account. Please have visible on the payment envelope the name of the head of the household, the student’s names, and the dollar amount enclosed.

It is the responsibility of the parents/guardians to keep your family lunch account in a positive balance. If it becomes zero or negative, you will be contacted by the School District or other agencies, if necessary. If you have any questions related to food service, please contact Stacy Watzka or Kris Parma at 793-7172.

In keeping with this commitment, the Two Rivers School District offers a wide variety of programs to meet the needs of students with disabilities. Special education programming is offered in the areas of specific learning disability, hearing impairment, intellectual disability, emotional/behavioral disability, speech and language, visual impairment, and early childhood education. In addition to these program areas, the Two Rivers School District identifies and provides services for students identified as autistic, traumatic brain injured, orthopedically impaired, and other health impaired.

Related services, such as school health, occupational and physical therapy are also available to students, when they are needed, to help the student benefit from their special education services. For more information, please feel free to contact Bridgett Klein, Director of Special Education for the Two Rivers School District, at 793-4560.
