Two Rivers Public Schools Guidelines for Facility Use

Administrative Rule:

1. Facility must be left in condition found, and any damage will be the responsibility of the group using the facility.
2. Required facility clean-up must be reasonable and within the scope of the assigned custodian. If the facility is left in an unacceptable condition, the extra cost for clean-up will be assessed to the using group.
3. No furniture can be moved to or from a room without school authority permission. Furniture may be rearranged in the room with prior approval and must be placed back before leaving.
4. Concessions may be sold as long as prior arrangements are made. No alcohol or tobacco products may be sold or used in the building or on school grounds.
5. It is the responsibility of the using group to insure that visitors park in designated parking area. No vehicles can be parked on the lawn, sidewalk, or other inappropriate places.
6. Keys will not be issued to users unless approved by the District Administrator or designee.
7. When school is closed for inclement weather or an emergency, the District Administrator has the authority to cancel any planned event.
8. Each individual or group using the facility must have at least one person 21 years of age or older in charge of the activity.
9. Any organization advertising the use of school facilities must identify their sponsorship of the program in the advertisement or announcement.
10. Facilities shall be open for inspection at all times by an authorized School Board representative.
11. Violation of established rules governing the use of the facility or damage to the property may result in the revocation of approval to use school facilities, denial of future applications to use school facilities and/or legal action.
12. Fees must be paid within 30 days of receipt of invoice. Failure to pay bills on time may result in the revocation of approval to use school facilities, denial of future applications to use school facilities and/or legal action.
13. Building use permits must be filled out completely prior to approval to use facility. Building use will be schedule around the school use; school functions will take priority.
14. Should a school function arise to create a conflict, the two parties will work to resolve the schedule. Any conflicts will be ultimately decided by the District Administrator if a compromise cannot be reached. School functions will take priority.
15. Any district building cannot be reserved more than six months ahead of time.
16. If a problem occurs during the use, the user will notify the custodial or authorized school authority immediately. Users should not attempt to repair or fix school equipment or property without school authorization.
17. Groups using the facility are responsible for those in attendance and those working at the function.

18. Any performer(s) charging admission are required to give the total door “take” to the School District in order to ensure proper bookkeeping.
19. Accredited learning institutions will have building use fees waived and a supply fee will be implemented, to be determined with each class.
