

Koenig Winter Recess Rules: The snow will be here to stay soon, and we want to make sure that every child has fun and stays safe at recess by following the Recess Rules! We ask that all children come to school equipped for the snowy months ahead. This includes snow pants and boots. Children without boots or snow pants will be asked to stay on the dry parts of the blacktop. Those students who come prepared to play in the snow by wearing snow pants and boots will have access to the full playground on their recess! With your support on following these cold weather guidelines, all students will have an enjoyable time on our playground.

Students are expected to obey directions given by all supervisors and adults while on the playground.

Please remember:

1. No throwing snowballs.
2. No sliding on the ice.
3. No whitewashes.
4. Do not destroy snow forts-this is unkind...there is plenty of snow for everyone to make their own forts. BE KIND and RESPECTFUL
5. Do not place snow on slides.
6. No playing king of the mountain/hill.
7. Respect other people's space. Keep your hands and feet to yourself. No play fighting.

Consequences:

If you do not follow the rules above, you will be subject to the following disciplinary actions:

1. Time out in the circle
2. Referral to the office

*Boots and snow pants need to be worn in order to play in the snow.

Here is a guideline for when outdoor recess will be held:

1 degree and above wind-chill - outdoor recess

0 degree and below wind-chill - indoor recess

Please review with your child and return to school.
