

“Taylor Tough” T-Shirt Sale

Dear TR Families,

We are a family here at L.B. Clarke and one of our family members needs some support. Taylor Budysz, a 6th grader at L.B. Clarke, has been diagnosed with Adrenal Gland Cancer. Treatment for this disease can be very costly and we want to help the family in any way possible. To help cut the costs of Taylor’s treatment, L.B. Clarke Middle School needs you! T-shirts will be worn at the staff vs. students basketball game. Staff members will be wearing purple and students will be wearing yellow. Choose your color and team of choice to support that team and Taylor in her fight.

Shirts will be sold for \$8 per shirt and all proceeds will go to the Budysz family.

Please return all order forms to Mr. Ourada in the 6th Grade House!
