## Summer School Packets

In today's Friday folder are packets for grades 1-4 for summer school. We are moving to an online registration format so families will register through Skyward Family Access. The online registration will open up on April 26th for families to register.

Families should look over the packet with their child and mark these classes they would like to take. With the online format, classes will be filled on a first come first served basis. We will also have computer labs open in the district for families to register in. PLEASE check that you have your login information. If you forgot it, click on our webpage, families, then Skyward Family Access, there is a forgotten password link. This login is the same as families used in August for the school year registration process.

Yours in education,  
Chad Bauknecht  
Principal

## A Few Reminders

### Open Enrollment

Feb 6th until April 28th is the window for open enrollment in Wisconsin. If you are not a resident of Two Rivers Public Schools, but would like to attend here, you will need to complete the open enrollment form. More information can be found on our website. Questions, call LouAnn at 793-4560.

### Talent Show Livestream

We will broadcast next Thursday's talent show through a livestream on our district website. Families will also be able to view an archived version of the show. If your child is performing you may also attend at 1:30 on Thursday.

### Spring Cleaning

We can always use winter gloves, snow pants and boots for use at school. We will even take single gloves and mittens to make pairs! Great chance to do some Spring cleaning!

### Student Medications

If your child takes any form of medication please make sure to fill out a form in the office. Students may not transport medications to and from school. Any questions, please call the school office.
