

Hello,

My name is Michael Kirchner. I have been married for 16 years to Heather Kirchner and we have three wonderful children; Libbey (14), Remington (11), and Tatum (6). I grew up in the Appleton area and graduated from Seymour High School.

I worked in the private sector doing many different jobs before I decided to go back to college. I received my Associate's Degree from Fox Valley Technical College in Criminal Justice in 2003, and began my career as a Police Officer with the Town of Grand Chute. In the summer of 2004, I accepted a full-time position with the City of Two Rivers Police Department. While working for the City of Two Rivers I have become an Arson Investigator, CPR/AED/First Aid instructor, TraCS Administrator (citation system) and now a School Resource Officer.

I am currently attending UW-Platteville to obtain my Bachelor's Degree in Criminal Justice/Business Administration. My goal is to instruct at the college level, and help prepare students for their careers in Criminal Justice.

I am looking forward to bringing numerous fun programs to school like Take the Challenge and a JR Police Academy.

Michael Kirchner
School Resource Officer
Two Rivers Police Department
