PROM 2014-2015

Prom is May 9th from 8-Midnight. Following prom is post prom. Post prom was started as an alternative to the traditional drinking parties associated with prom. Post prom starts at 12:00 am, and goes until 3:30 am. During this time, students play basketball, play volleyball, swim, sing karaoke, watch movies, eat, eat, eat, and then eat some more. If you can spare an hour or two, to help supervise, or would like to donate money or food items to this worthwhile activity, it would certainly be appreciated.

May flowers, what do
May flowers bring?*
