Response
The Community Service Fund is used to fund the cost of the Police School Liaison officers in all of the buildings. The officers that serve the District are able to make positive connections with the students, while increasing school security. This helps with the crime rate in the community. Keeping our buildings safe and secure is a high priority of the district and the community. The officers have also taken the lead with ALICE training in all of the schools. Besides serving Two Rivers Public School District, the officers work with the DARE program in the two local parochial schools. They are involved with community organizations and make presentations to civic groups. The service they provide is very broad and a win-win for the community.
