## Back To School Open House

August 28th, 2018

5:30-6:30 P.M.

Meet the teachers

Visit the classrooms

Bring school supplies

Pick up all forms for the first day of school

Complete online registration

All students will go home with a free book!

Please bring any questions you may have!

## "Project Safe Child"

For the 2018-2019 school year, the Two Rivers Crime Prevention Committee will again provide fingerprinting, DNA and a photograph of a child to the parents in the event the child would go missing. This is a free service that will be offered during our "Back To School" night.

*Please stop by and register your child with our wonderful Crime Prevention Team!*

## Note From The Principal:

I am truly looking forward to the 2018-2019 School Year! This summer our wonderful Koenig teachers worked collaboratively in teams to create what we feel is the best framework to boost student achievement. In order to provide the best possible learning environment for your child, we will intervene early and provide the necessary small group instruction to provide instruction based on need.

In addition, we have continued to develop a thoughtful and purposeful plan of implementation for the "Kids At Hope" Framework. Adults (Treasure Hunters) who believe in ALL children, who care enough about them to invest emotionally and who are committed to helping them to navigate their futures. The Two Rivers School District is excited about the following vision for the years to come!

We look forward to serving you and your families. If you have any questions about the upcoming school year, please feel free to contact me at any time! Enjoy the rest of the summer!

Mrs. McLinn

## School Age Readers

*Finding time to read is an important part of developing literacy skills for all kids.*

- Reading exercises all areas of the brain as "brain food."
- "Reading to" your child builds your child's listening skills.
- Reading develops your child's vocabulary.
- There is a strong correlation between reading and all other academic areas.
- Reading together builds a relationship between you and your child.
