Safety Tips For A New School Year

- * Go through your family procedures for morning and after school pick up.
- * Practice safe procedures for walking or biking to school. Use the "buddy system."
- * Discuss stranger precautions.
- * Encourage respect and responsibility in our Koenig community.
- * Use safe parking lot procedures by pulling through the parking continuously until your child leaves the building.
- * Ask your child to participate in these discussions.

Note From The Principal:

I am truly looking forward to the 2012-2013 School Year. This summer Koenig many teachers studied both literacy and math curriculum, assessments and interventions to match the standards adopted by the state. In order to provide the best possible learning environment for your child, they worked diligently in collaborative teams! We have prepared a math, literacy and a new social responsibility plan for this school year. We are confident that Koenig, the Community Learning Center, is a great place to be and we look forward to serving you and your families. If you have any questions about the upcoming school year, please feel free to contact me at any time! Enjoy the rest of summer!
