

General 8th Grade Homework Policy

Homework is practice for mastery of the concepts presented in class. Therefore, homework is expected to be completed to the best of each student's ability and by the assigned due date. If work is not completed for class, your child will stay after school the same day to complete the work. Bussing is available each day at 4:00. Partial credit may be given upon discretion of the teacher. If students have difficulty meeting the deadlines, there are several resources available:

- After school resource
- Saturday school (when available)
- One-to-one teacher/student work time
- Student/teacher conferencing
- Student/teacher/parent conferencing
- Home/school communication
