Two Rivers Public School District

Volume 1, Issue 1

August, 2018

From the District Administrator, Lisa Quistorf

The 2018-2019 school year is right around the corner. Our official first day of school is Tuesday, September 4th, the day after Labor Day. This allows our students, families and community to enjoy and celebrate the final event of summer, Kite Fest 2018, in Two Rivers.

This has been a very busy summer for the Two Rivers Public School District. L.B. Clarke Middle School received upgrades in all of the houses including new ceilings, flooring and a fresh coat of paint. There was also an addition to our maintenance shed that will provide much needed storage for our district. A special thanks to our voters for supporting our facilities referendum two years ago. This community support allowed for these needed improvements at both Magee Elementary and L.B. Clarke Middle School, as these buildings are both over 50 years old. Also, thank you to Bob Bauknecht, our maintenance director, as well as our maintenance and custodial crew, for overseeing all the building projects. The cleaning, painting, and preparing classrooms and buildings for the upcoming school year continued simultaneously with the construction and renovation. All of the work for this summer is nearing the finish line, and the teachers are beginning their final touches before our scheduled reading assessments and open houses.

Koenig and TRHS have been the home of our summer school, and both of these buildings were abuzz with student activity. A wide array of opportunities abound for our students in the summer months. Just check out our Facebook page and see our students engaged in activities and fun. If your child did not participate this summer, check out programming for next year, as the opportunities for our students are amazing. There is something for everyone. The learning and fun that takes place over the summer is rewarding. Also, as a district, we have been very diligent in making our preparations for the upcoming 2018-2019 school year. Our educational teams have been busy with collaborative meetings to improve our skills to engage every child to reach their fullest potential.

This upcoming year will bring new faces to our district. We are excited to announce the following staff members will be joining our District team: Anna Burtschi, Grade 2 at Magee; Felicia Bunnell, Grade 1 at Magee; Brittany Kuehn, Kindergarten at Magee; Rachel Schroeder, Special Education at L.B. Clarke; Katie Berry, Special Education at L.B. Clarke; Ashley Hentges, Special Education at Koenig; Sara Huven, Grade 1 at Koenig; Kara Erlandson, Grade 7 English Language Arts at L.B. Clarke; Jennifer Juley, Grade 7 Science and English Language Arts at L.B. Clarke; Jennifer Kieselhorst, 4-year-old Kindergarten at Koenig; Angela Jacks, Grade 8 Math at L.B. Clarke; Jennifer Wagner, School Counselor at L.B. Clarke; Spencer Feest, Grade 8 Integrated Studies at L.B. Clarke; Angela Blashka, EBD Teacher at Magee; and Ana Turba, Spanish Teacher at L.B. Clarke and TRHS.

As your District Administrator, I am looking forward to working together with you to best meet the needs of our children. Your cooperation and communication are integral to the success of all. If you have any questions throughout the year, do not hesitate to contact me at 793-4560, or you may email me at lisa.quistorf@trschools.k12.wi.us.

The Two Rivers Public School District celebrates Kids at Hope and is committed to guiding every child to reach his/her fullest potential. No exceptions. We are TR!

Lisa Quistorf, District Administrator

Koenig Elementary School - Highlights

Koenig Elementary is a 13-Year New Wisconsin School of Recognition. Through several family events such as S'more Family Fun Title One Night, Spooky Story Night, Reading Is Fundamental Theme Weeks, Flashlight Reading, Timber Rattlers Reading Challenge and book giveaways, the Koenig Community celebrates the love of literacy!

Heidi Springstube along with her children Dominick and Rory .

The Reading is Fundamental Reading Challenge allows children to choose free paperback books three times a year, which are theirs to keep. The reading challenge week fosters a new generation of lifelong readers by having children read for fun and involving families and community members in motivating children to read regularly. During their library time, each student will have a guest reader come in to celebrate

reading! This year's theme will be:

"Treasure Your Time With Books"

Every student at Koenig Elementary also enjoys time for yoga and mindfulness four times a year. These are valuable tools in which students are encouraged to manage their stress, strengthen their emotional regulation and embrace kindness within themselves!

Magee Elementary School - Highlights

Each year, the Two Rivers Public School District celebrates and honors the veterans of Two Rivers. Community members and family members who are veterans are invited to the schools for a ceremony to thank our veterans. Magee Elementary welcomes over 75 veterans each year where the students of Magee present their veteran with a flower thanking them for their service. The students sing patriotic songs and learn about the meaning and purpose of Veterans Day.

Our program for 2018 will take place on Friday, November 9th, at all schools. We encourage and welcome all veterans to attend these programs and help the students of the Two Rivers Public School District celebrate this important day.

4K Program

Students who will be age 4 by September 1, 2018, are eligible to enroll in the 4-Year-Old Kindergarten program. Our 4K program runs three hours a day for four days a week. Community based sites along with school sites offer a great opportunity for our 4-year-old learners. Please contact Jodyne Pagel at 793-4560 to register your child.

2018 Summer School:

Summer School 2018 has just wrapped up, and our students have had many unique opportunities, including our students in the high school special education department. Our students have been out and about in the community under the planning and hard work of our amazing staff, Hallie Steinberg, Rachel Kaderabek, and Tammy Reigles. Many of their adventures started with riding the city bus to local businesses for our students to be able to interact with our community and learn every day life lessons and tasks. Some of the local places that they've visited include the fire department, Schroeder's, the library, the salon/barber shop, the bank, and many more! On the right is a picture of one of our talented students, Jacob Denis, who was able to try on the equipment that the firefighters wear during their fire calls. Experiences like these have been very valuable for our students and have helped them learn many important life skills, while also interacting with our supportive community!

L.B. Clarke Washington D.C. Trip

Each Spring, the 8th grade takes a trip to Washington D.C. to visit our nation's capital. As students learn about American History from the Revolutionary War to the late 1800's, they learn about the people, monuments, places, and artifacts they will see on the trip. Usually, during the first week of May, students leave on coach buses Tuesday afternoon and arrive in Gettysburg, Pennsylvania Wednesday morning. Over the next three days, they visit places like the White House, U.S. Capitol, Ford's Theatre, National Geographic Museum, George Washington's Mount Vernon, The United States Holocaust Museum, several of the Smithsonian museums, many memorial sites (Lincoln, Jefferson, WWII, Korean War, Vietnam War), and more. Saturday, on the way home, the buses stop at the Shedd Aquarium in Chicago before arriving home in the early evening. This is a richly rewarding, once in a lifetime experience for our students. This trip, including the buses, hotels, meals, and tickets to attractions costs our families \$575. We are very proud to offer this experience, planned and chaperoned by our own staff, for such an affordable price.

5th Grade Kickoff to Clarke: Tuesday, August 21st

L.B. Clarke is thrilled to invite all of our incoming 5th graders to Kickoff to Clarke, from 4:00 - 7:00 p.m. on August 21st. Kickoff is an abbreviated first day of school only for 5th graders. It is an opportunity for students to meet teachers and staff, learn where classes are and how the schedule works, and get acquainted with aspects of the school day like using Gmail, Google Classroom, Chromebooks and how the lunch room and Phy Ed locker rooms work, etc.

Parents may drop students off at the cafeteria entrance beginning at 3:50 p.m. and then rejoin us at 6 p.m. to meet advisors and have a brief Advisor/Advisee (AA) meeting. Following AA, we will gather in the cafeteria for dinner together. More information will follow in the L.B. Clarke Family News in August. Watch your email!

L.B. Clarke Back to School Advisor Conferences: August 27th-28th

In an effort to make better connections between home and school before school starts, we will no longer do a back-to-school night open house. Instead, we will be scheduling a back-to-school conference with each student's advisor and parents on the nights of August 27th and 28th. This will provide a chance for students and parents to meet the advisor, ask questions, and learn about important school and grade level information. Students may bring their school supplies and put them in their cubby and locker. The 2018-19 school supply lists can be found on the L.B. Clarke website. Please pay attention to the specific colors for folders and notebooks.

Information will be coming home in August to schedule back-to-school conferences. Students will receive a welcome letter from their advisor in the coming weeks and the online link to schedule a conference with your child's advisor will be in the L.B. Clarke Family News. Conferences will be about 15-20 minutes in length, and time slots will be between 3:30 p.m. and 6:30 p.m. on the nights of August 27th and 28th. See you soon!

Two Rivers High School - Where Great Things Are Happening:

Two Rivers High School has an excellent alternative program that offers a combination of online courses, along with the GEDO2 program for students that are extremely credit deficient. We have a variety of groups that travel the world as well. We offer a Marine Ecology course for a half science credit that goes to Key Largo, FL, each year. We have had this popular, successful class since the summer of 1992. Along with our Florida class, we have several travel groups that are not for class credit. They include the European Travel Group, Spanish Travel Group, and our band which take trips every other year. This past summer, our European Travel Group went to France and

London, and next summer Spanish heads to Ecuador and band goes to Orlando where they will perform at Universal Studios. These are just a few of the amazing things offered at TRHS.

TRHS STUDENT REGISTRATION

We will be opening the online student registration for all TRHS students beginning Monday, August 13th and there will be a registration help day scheduled for Wednesday, August 22nd, where students and parents are welcome to come in for assistance with the online registration. Parents and students should review their schedules carefully when they receive them and check for any problems or errors. If you need to speak to a counselor, you will need to call 793-2201, Ext. 6115, to schedule an appointment.

As part of the registration process, our school district charges a textbook & school supply fee of \$30. For those wishing to purchase a yearbook, the cost is \$40. Students may also purchase an activity pass for admission to EWC contests for a fee of \$25. A family pass may be purchased for \$135. Sports fees for the high school are \$25 (maximum of two times). No high school student will pay more than \$50 in fees for sports per year. In addition, all bills from the previous school year (including outstanding lunch bills) must be paid in full. **Unless you are purchasing a yearbook or activity pass, the only fee that is required at the time of registration is the \$30 Registration Fee.**

You are invited to our 2018 Freshman Open House. Two Rivers High School invites all incoming 9th Graders and their parents to meet our teachers and administrators, learn about Two Rivers High School and meet some representatives of our sports, fine arts and other activities. Join us for an open house to learn all about the amazing things that make our district so great! Also, on the first day of school, all 9th graders and our student leaders will gather for a morning of activities to help students become more acquainted with the school, their teachers and each other. At the Freshman Academy, students will learn tips to success and interact with their teachers in a variety of fun ways, all while becoming more acquainted with the school.

NOTICE OF SPECIAL NEEDS SCHOLARSHIP PROGRAM

This notice serves to inform parents and guardians of students with disabilities that the State of Wisconsin has established the Special Needs Scholarship Program. Under this scholarship program and as further specified in state law, a child with a disability who has been denied the opportunity to attend a nonresident school district under the full-time open enrollment program may be eligible to receive a scholarship from the Department of Public Instruction (DPI) that allows the child to attend an eligible private school that is participating in the Special Needs Scholarship Program. This is a state-administered program.

A parent or guardian who is interested in the Special Needs Scholarship Program should independently verify the participating private schools and the specific terms, eligibility criteria, and application procedures of the scholarship program with the DPI.

The Special Needs Scholarship Program is further defined under section 115.7915 of the state statutes. However, special eligibility requirements not found in that statute exist for program scholarships that are awarded for private school attendance that initially begins in the 2017-18 school year. Additional information about the program should be available on the website of the Wisconsin Department of Public Instruction: <http://dpi.wi.gov/>.

Annual Asbestos Notice: As a result of recent federal legislation (Asbestos Hazard Emergency Response Act—AHERA), each primary and secondary school in the nation is required to complete a stringent inspection for asbestos and to develop a plan of management for all asbestos-containing building materials. The Two Rivers School District has a goal to be in full compliance with this law and is following the spirit, as well as the letter, of the law. As a matter of policy, the district shall continue to maintain a safe and healthful environment for our community's youth and employees. In keeping with this legislation, all buildings (including portables and support buildings) owned or leased by the Two Rivers School District were inspected by EPA-accredited inspectors, and samples were analyzed by an independent laboratory. Based on the inspection, the school prepared and the state approved a comprehensive management plan for handling the asbestos located within its buildings safely and responsibly.

Furthermore, the Two Rivers School District has completed the Three-Year Re-Inspection required by AHERA. Federal law requires a periodic walk-through (called "surveillance") every six months of each area containing asbestos. In addition, the law requires all buildings to be re-inspected three years after a management plan is in effect. Endpoint Solutions will accomplish this under contract. Short-term workers (outside contracts: i.e., telephone repair workers, electricians and exterminators) must be provided information regarding the location of asbestos in which they may come into contact. All short-term workers shall contact the lead maintenance person before commencing work to be given this information. The Two Rivers School District has a list of the locations and types of asbestos-containing materials found in the school buildings and a description and timetable for their proper management. A copy of the Asbestos Management Plan is available for review in the school office. Copies are available at 25 cents per page. Questions related to the plan should be directed to Endpoint Solutions, Hales Corners, WI 53130, (414) 858-1203, or by contacting Two Rivers Schools at (920) 793-4560.

The hot lunch program will also begin on Tuesday, September 4th, in all schools. Daily prices are as follows:

	Regular	Reduced

Applications for Free and Reduced Lunch will be available via online registration, and will also be sent home with the students during the first week of school. If you feel you may qualify for Free or Reduced Lunch, please complete the form (one form per family) and return it to school as soon as possible. Families that receive AFDC or food stamps must fill out the application with their food stamp number. These families will be mailed a verification letter from the school district in early September. If you do not receive a verification letter and receive AFDC or food stamps, please call Stacy Watzka or Kris Parma at 793-7172.

In grades K-8, the district will be using biometric fingerprint scanners for purchasing breakfast and lunch. At the high school the district utilizes an automated lunch account system in which each person has a computer generated card with their name on it. When a meal is “purchased”, the student number is entered into the computer and the price of the meal is then deducted from the family account. Family accounts are set up with the responsible parent or guardian listed as the head of the household and all dependents listed under the same family account. Lunch payments can be sent to your child’s school or mailed to L.B. Clarke Middle School. Prepayments may be done weekly or monthly. There is no need to send money with each child since all payments go into the family account. Please have visible on the payment envelope the name of the head of the household, the student’s names, and the dollar amount enclosed.

It is the responsibility of the parents/guardians to keep your family lunch account in a positive balance. If it becomes zero or negative, you will be contacted by the School District or other agencies, if necessary. If you have any questions related to food service, please contact Stacy Watzka or Kris Parma at 793-7172.
