# Winter & Spring 2020-2021 Activity Guide

## A Message To Our Friends:

Covid has brought many challenging inferences in 2020/2021. We as a department have followed the CDC recommendations, policies from the State of Wisconsin and Manitowoc Health Department and will continue to follow these recommendations into the winter and spring seasons. We appreciate your patience and understanding during this time.

We truly believe that recreation is essential to the mental and physical health of the community. Our staff has created indoor, outdoor and virtual programs that are safe and engaging for all ages. You may notice some “regular” programs are missing from this activity guide. These programs will resume as soon as we have access to the facilities and are able to do so in a safe manner.

Modifications will be made to ensure participants safety to current programs:

- Individual program supplies will be provided to participants
- Frequent hand washing
- Social distancing when possible
- Hand sanitizer available to all staff and participants

The format of our activity guide and programs may look different and continue to look different; but we are dedicated to providing high quality experiences for all ages. The activity guide will be offered virtually-which will give us the opportunity to update the guide if changes may occur.

If you have any additional questions, please feel free to contact the Recreation Office at 793-5592.

Be well,

Terri Vosters	Rebecca Hansen	Lindsey Mack	Tammy Stadler	Linda Sheeter
Director	Recreation Supervisor	Recreation Clerk	Administrative Assistant	Office Assistant

## HEART-A-RAMA

Heart-A-Rama is a non-profit variety show performed six nights a year at the J.E. Hamilton Community House in Two Rivers, WI. In 2021 the 50th year will be celebrated with a total of over \$2.9 million raised for the American Heart Association Midwest Affiliate, along with donations of automated external defibrillators (AEDs) to public gathering places throughout Manitowoc County. Heart-A-Rama is like Saturday Night Live with local comedy and a variety of skits organized by volunteers and designed to inform, inspire, and entertain. The audience of up to 300 nightly enjoys an evening of laughs and fundraising. One of the biggest fundraisers is a live auction at the beginning of each show called "The Best Seat in the House." A decorated toilet seat signed by the cast and crew has become a friendly competition between local businesses and individuals who bid (\$1000 to over \$3000 nightly) to win and then proudly display the seat in their business or home. Join us in 2021 for classic skits from the past as well as new entertainment and help reach our goal of \$3 million raised! YOU GOTTA HAVE HEART!
