

# TWO RIVERS HIGH SCHOOL

Dear Raider Fans,

As we very happily return to athletics, I want to inform you of the spectator guidelines created by the Eastern Wisconsin Conference that go along with our fall season.

Due to COVID, spectators at all events will be limited. Our athletes are provided with a limited number of spectator passes. These passes are only valid for the athlete's specific sport. For example, a football pass will only be valid for a football game. Unless you have been provided a pass by an athlete, you will not be allowed to attend the event.

Since spectators will be limited, we are making every effort to provide a livestream of the event so you can continue to support our student-athletes. We have already streamed a cross country race on our district Facebook page, and a swimming and diving meet on YouTube.

All home volleyball and football games will be free of charge on the National Federations of High School Associations (NFHS) web page. I will be providing viewing information for away contests as soon as it becomes available.

To view a volleyball or football game this fall, and other future Raider sports, please follow these instructions.

Sincerely,

Brian Gallagher
