

TWO RIVERS PUBLIC SCHOOL DISTRICT
SUMMER SCHOOL PROGRAM BUS SCHEDULE 6/18/18 to 7/27/18
NO SUMMER SCHOOL 7/2/18 AND 7/6/178

Summer School Bus Information.

5/17/18

TWO RIVERS HIGH SCHOOL REGULAR ROUTES

- These bus routes combine all grades (1st-8th) attending TRHS for summer school.
- Bus rules apply for summer as well and they reflect the same rules as the school.
- Bus drivers are not aware of each student's bus stop, so please do not assume that the driver knows where your child needs to go. The bus can be filled with up to 71 students and it is impossible to know all the students. Students may need different transportation from the school year and therefore, we cannot assume where they are to go.
- Students riding to/from any other bus stop must have permission from a parent or legal guardian (by phone only) or they will be refused transportation.
- Times are estimated and students should be at the bus stop the minimum of 5 minutes prior to the time given. Bus will not wait for students not at the bus stop.
- Please be aware that we may have to move bus stops due to street maintenance or issues at a bus stop.
- We may need to move students to another bus route if the bus they are on reaches capacity.
- The routes only accommodate students attending from 8am to noon with additional mid routes bus stops for students who need to arrive or leave at 10am.
- Students will be asked their name and address for each route. Please write the students information on separate note cards or pieces of paper to give to the drivers (name, address, bus number and stop). The district needs a list of all riders for their records and also for the bus company to keep track of students. Registering at the bus company is not needed for these regular route unless you live in a rural location and door to door bussing is needed.

Drop off Information:

Please talk with your student about:

- Where their bus stop is located and how to get home from it.
- What bus to take at the end of the school day. Students may forget by the end of the day as to what bus to take and where to get off. This is a new school, different teachers and schedules to follow, and it may be overwhelming. Please write down the bus number and bus stop and place it in or on their backpack to refer to.
- What to do if they get confused and miss their bus stop. Tell them to stay on the bus and talk to the driver or show the driver the bus stop information you've written out and placed in or on their backpack. They are easily returned to the bus stop or to school. Remind them they are safer on the bus while we figure it out.

- We do not allow the students who take a bag lunch home to eat it while on the bus. Please remind your student to wait until they get home.
- Going home with a friend. Students should be talked to about not going home with a friend unless a parent has made arrangements through the office at Two Rivers Buses. Nothing is scarier than finding out your student didn't show up at their bus stop or that they brought home a friend and a parent is frantically trying to find them.

Second session new riders: Some bus stops may have been removed due to no students. Please call to verify your information prior to start of second session if your student is a new rider

Special Needs Students

If you have a student that rides the special needs bus during the school year and need transportation, please contact the Two Rivers Buses to set up busing before June 8th. These routes are door to door and must have an adult present for drop off.

4K, EARLY CHILDHOOD, AND KINDERGARTENERS ATTENDING AT KOENIG

Students must be registered by June 6th, 2018 in order to start busing on June 18TH.

Please contact Two Rivers Buses or return your bus forms to school as soon as you receive them. If you do not meet the deadline you will not be able to start busing when summer school starts.

Routes are created a week and a half before summer school starts in order to contact all the families, give to the school to make their bus lists, and to the drivers to make out routes.

- These routes are door to door (when possible) and must have an adult or older student come to the bus for pick up and drop off. There is a bus aide provided for each of the routes. Bus aides are not permitted to leave the bus unless an emergency
- Students will be returned to school if no one is there to take them off the bus or the person is not an appropriate age. You must come to the bus for pick up and drop off. Waiting inside the house, doorway, or porch is not acceptable.
- The bus will only wait 2 minutes and are not required to honk the horn. Please watch for the bus up to 10 minutes before and after the time given. The times given are estimated and not exact.
- Typically, additional students are added in the first week or two which will change bus times.
- Students who are at a rural location will have to take the regular routes and transfer at the Two Rivers High School to get to Koenig. You must register so we can make arrangements for the transfer.
