Two Rivers High School Community Service Program

Approval / Verification Log

The Two Rivers High School requires all high school students to complete 20 hours of community service prior to receiving a high school diploma. It is recommended these hours be completed prior to the end of the first semester of the student's senior year.

Community service is intended to be service out in the larger community. Therefore, helping out family members or someone who owns a private business is not considered a community service activity. Helping out a non-profit organization is acceptable. If you do volunteer work in the Two Rivers Public Schools, only one-half of the hours (**TEN**) can be used to meet your community service requirement. The other ten hours must be earned in a community setting; please see "Community Service Ideas" for more information.

- Qualifying juniors and seniors can fill out a tutor application and will be able to receive 10 community service hours per semester.
- Students who volunteer for 100 hours or more are eligible for the white service chord at graduation.
- If you plan to volunteer for an activity that is more than **five** hours, prior approval is required from a high school administrator.
