15. District Administrator's Report:
 - A. Lisa Quistorf thanked Jennifer Henrickson for serving on the Board since September, 2019. Her service is appreciated and she will be missed. Lisa reported that staff has been very busy with a new and different way of teaching. We need to make sure that there is equity with access to internet. There is a link on our web page where staff can ask for help. Learning packets are sent home to students 4K – Grade 4. We need to make sure we do our best to make connections to all students/families. This new way of teaching/learning was very overwhelming to all in the beginning. With help and support, everyone can be successful. Food Service has been preparing and giving to families 450 meals a day at Koenig and Magee locations. There will be a bulk meal for Easter as well. The TR Quilters donated face masks for our food service employees. Justin Casper is making shields and

donated twenty to the Fire Department and we are accepting donations through RevTrack. Food Service and the maintenance/custodial staff are working in the buildings. Central Office is alternating one person in the office daily and all others working from home. On Friday, Be the Light, will take place on the football field for TRHS Seniors. Banners will be made for all students. School matters and it is important for everyone to work together.
