

Graphic Arts 1 Syllabus

Course Title/Grade: Graphic Arts 1 - Grade 10, 11 and 12

Instructor: Mr. T. Klein

Course Description:

Graphic Arts/Design 1 is a basic course in the area of computer graphics which covers the primary graphic arts processes. Students will receive hands-on experiences in the area of Graphic Arts/Design. Along with other equipment, students will use illustration software for precision layouts and project design, including illustration, photograph manipulation, screen printing, web design, and basic Flash animation. This is a general course for printing, business and art oriented students interested in learning about the second largest industry in the United States today.

Students successfully completing this class earn 3 free transcribed college credits from LTC. While these 3 free college credits are from LTC, they can be transferred to other colleges or universities.
